MARTIN LUTHER KING JR. DAY

On April 4, 1968, Dr. Martin Luther King Jr. was fatally shot while standing outside his hotel room balcony at the Lorraine Motel in Memphis, Tennessee. Dr. King's commitment to social and racial equality is what we must continually fight for current day. As union members and City workers, we must especially honor his legacy as the civil rights leader was in Memphis to represent and march in solidarity alongside AFSCME Local 1733 (sanitation workers). As fellow AFSCME members, Dr. King died fighting for our rights and we must continue the marathon that he largely help began.

LABOR DAY

The Labor Day Parade is a designated day for all Labor Unions across Philadelphia to gather and celebrate our contributions to the workforce. We march together in solidarity while also representing our own perspective Union. At DC33, we need our entire membership to join us every year to honor not only the Labor movement but yourself! We urge all 10,000 members to come join us to show other Unions and the City of Philadelphia the power and unity that lies within DC33. Join us as each member receives paraphernalia, food, entertainment, and a day of fun for you and your family.
