CONTRACT RATIFIED

**DISTRICT COUNCIL 33 REACHES
AGREEMENT WITH CITY OF
PHILADELPHIA ENDING JULY 1 2028**

MEET & GREET COOKOUT

It's been a long year. After a strike vote in fall 2024, six months of contract negotiations, another strike vote in June, and of course the 8-day strike at the beginning of this month, members are tired. We fought hard, and we endured much at the hands of the city.

Several members, including Local 696 member Lesley McDowell, have independently organized a cookout for AFSCME members in Philadelphia to get together and have a good time. Details on the flyer below, hope to see you there!

Thanks to every member who made their voice heard in the ratification vote. The results have been certified by the American Arbitration Association, and we've informed the City to start issuing bonuses. Together, we made this happen.
